Westminster Theological College & Seminary, Cambodia

Mission

WTCS exists to teach and train those whom God has called to be pastors, church planters, evangelists, Bible teachers, and biblical counselors.

WTCS aims to equip them with biblical, theological, and ministerial disciplines in the Reformed tradition, and with devout spirituality so that they can have the passion for the gospel of grace and a zeal for building God-glorifying, Word-based, Christ-centered, Grace-driven, and Gospel-proclaiming churches.

Doctrinal Commitment

Westminster Theological College & Seminary Cambodia is a Reformed and Confessional seminary that is committed to the inerrancy and infallibility of Scripture and has a well-defined doctrinal basis in the subordinate standards of the Westminster tradition —The Westminster Confession of Faith (WCF), the Westminster Larger Catechism (WLC), and the Westminster Shorter Catechism (WSC).
